

Coleção

YORK

portinari

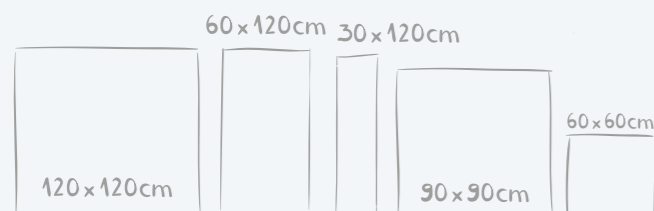

A neutral porcelain tile has the role of harmonizing environments and providing lightness to the space. The York collection was designed both for those who value subtlety and for those who want to be bold in their interiors and contrast the striking details of the décor with the delicacy of porcelain tiles. With base formats and a decorative one, York allows for diversity of compositions according to the demands of each project.

Un porcelanato neutro tiene la función de armonizar ambientes, contribuyendo para aportar ligereza al espacio. La colección York fue diseñada tanto para quienes aprecian la sutileza como para aquellos que buscan osar al crear sus ambientes, y contrastar los detalles propios de la decoración con la delicadeza del porcelanato. Con formatos base y uno decorativo, York hace posible una gran diversidad de combinaciones de acuerdo con las exigencias de cada proyecto.
